may be said to have opened in a most such a clour hammer.

The title of the piny presented tast night was "The New Partner," the play leading one which is familiar to many thester goes winder another name. Since it is cory generally agreed that there is nothing of him little, in a mane, that feature of the matter may be passed over. There were no programs distributed as a result of which it is impossible for The Post to take up the work of the various members of the cast separately. As a whole, the work of the organization gave general satisfaction, if generous and continued applicate may be taken as an in fleation, and two or three of the people seared unmistishable hits. Miss Tucker is well known to the theater goers of Houston and when it is stated that her work last night was tuily appeared to good advantage.

In addition to giving a very clever interest to good advantage.

In addition to giving a very clever interest to good advantage.

In addition to giving a very clever interest to good advantage.

In addition to giving a very clever interest of the part of Margaret Knowled. The work work on the daughter of the wealthy manufacture, she were some handsome gowns, and, alregether, made a very favorable impression. The velcome that was accorded her when she first appeared on the stage was a most flattering one.

Some of the very locat work of the evening was done by the tail young man who played the part of the brown; spokesman of the committee of mill employees who come to lay their case before the new partner. His make up was a thing of art and bis work was really clever. The man who played Warner was current and sincere and succeeded in making himself a favories. The young woman with a contraito voice, a monologue of the bayseed order and some imitations and topics among them saight mere during the custing two weeks, giving frequent clanures of bill, and there is good resoon to believe that the chagaement will be ancessful. The Olympot amone attractions at the Auditerium, and, judging by the reception rec

#### ANOTHER FINE RAIN.

Drouth at End So Far as City Is Con-cerned—Rainfall and Temperature. The long enduring drouth which has been interrupted at intervals by local showers by the rains of resterday and the day be

is believed to have been effectually broken fore. A rain which continued nearly three heurs yesterday has settled the drouth so ighting a Fire with Kerosene and Its far as the city is concerned, and this rain is believed to have been tolerably general throughout the county.

Mr R. L. James, county superintendent of public instruction, who visited Spring Reacch on Sunday, stated that a good rain fell in that section. Much water was left standing in the fields and meadows. Mr. James says the rain will be vastly beneficial to cotton and grass. It will also be beneficial to the late planted corn. Mr. James and grass will be reached to the late planted corn. be beneficial to the late planted corn. Me. Jaines says grass will come up wonderfully under the impetus of the piesent sea son and stock will fourish.

Complaint was made against The Post from Houston. veta quire muddy, the people came for printing in the mortnary report on kept on coming until only a very few Sunday the name of Dalay Hartwell as "colored," when it should have been and in the extreme rear-were left "colored," when it should have been by Mary Anderson transfers to W. B. Harris, to the city health office, whence these to dt .. tion. Chief Clerk Bowen, not desiring to strand the brunt of the blame unjustly, brought to the office of The Post yesterday the certificate of the attending physician in the case, mon which the decimal of the street. stand the brunt of the blame unjustly, brought to the office of The Post yesterday the certificate of the attending physician in the case, upon which the decased is designated as being "colored." Though this was of course a cierical error, if is lieves The Post and the city health department of any blame for carelesaness.

To Attend Oratorical Contest. Mr. J. L. Spiller of Jacksboro, Texas, leave this morning via Southern Pacific Monteagle, Tenn,, where they will, covery, ntrend the Southern Interstate Orasorical contest on the 26th Instant.

Mr. Green won the State medal in April, which enthies him to represent Texas at Monteagle.

Mr. Sollier came second in the State contest and he goes to attend the business meeting of the Southern Industrial association.

elistion.

Mr. Green was a student of Southwestern university, located at Georgetown; Mr. Spiller of Trinity university at Tenuacana.

### Remains of Robert E. Maher.

The remains of Robert E. Maher of this ev, who died on a tourist sleeper Saturday at Pecos, en route from Dallas to Callfornia, will arrive over the Southern Pa-cin- at 8 o'clock tonight. Due notice will be given of the funeral, which will take place sometime Wednesday from his inter-indence, corner of Fannin and Walker. Mr. Fred J. Maher, a brother of the de-censed, is expected to arrive this morning from Natches, Miss.

## Revival at Brunner.

greatest of all blood purifiers, and the Methodist Episcopal church on Thursday evening, the 25th instant, Revs. Hars. Warlock, Green, Wootan and others will preach. Visitors are respectfully invited to attend. There will be some very one music and the reperation of the above named gentlemen will assure some great moral feasts.

Skin Diseases and write our physiabout your case. No charge whatfor this service. "something just as good."

## INQUIRY BY CABLEGRAM

FROM AMBASSADOR CHOATE OF LONDON TO MAYOR WOOLFORD...

Asking Particulars Concerning the Death in Houston of William Montague Muir MacKenzie.

Hon, John D. Woolford, mayor of House. on, yesterday received a cablegroup from Ambassador Choate of London asking for information concerning the death of William Montague Muir MacKengie, which control in this city last Thursday mean The cablegram stated that a return message of fifteen words had been pro Mayor Woolford called on Mrs. MacKenzie, widow of the deceased, and sent a return cablegram netifying Mr. Choate of the facts in the case.

Young McKenzie, as has already been stated in The Post, was the only son of Sir Kennett Muir MucKennie, secretary to the lord high chancelier of England, not a nephew of the Hon. Quinten Hogg, founder and president of the London polytechnic, the greatest school of its kind in the world.

the world.

The roung man, who died in Henston in 25 years of age, had been receiving a princely monthly allowance from his rather, so it is stated. A very short time before the death of Mr. MacKenzle the remittances had ceased coming.

Mrs. MacKenzle is yet almost prostrated with grief over the death of her young husband, to whom she had only been marries; a few manths, their wedding having occurred in London last December. She is arranging to return to Lendon.

#### A STRANGE DEATH.

Five-Year-Old Son of K. J. McGinnnis Expired Very Suddenly Yesterday. Justice Maisch was called on yesterday bold an inquest to inquire into the very drouge death of Elvis Brown McGinn's, he 5 year-old son of Mr. and Mrs. K. J. McGinnis, who reside at 201 Pickney Justice Malsch secured statements from the parents of the deceased as fol-
